

EQUIPMENT MOBILE AND SMART CONNECTOR SET UP GUIDE

Equipment Mobile is an app that provides resources to setup, use, and maintain your equipment. View a dynamic live dashboard using a John Deere Smart Connector to monitor real-time equipment status, engine performance, fuel levels, maintenance alerts, and diagnostic data.

Follow these easy steps to get connected:

- 1 Download Equipment Mobile**
Set up, use and maintain your equipment

iOS/Android

- 2 Log in or create your John Deere account**
One account, many tools

- 3 Add your equipment**
Manually or by scanning the barcode in Equipment Mobile

- 4 Connect to your equipment**
Ensure your machine is keyed on and within range
